DIRECTORS' REPORT

To,
The Members,
Welspun Investments and Commercials Limited

Your directors have pleasure in presenting the 12th Annual Report of your Company along with the Audited Financial Statements for the financial year ended March 31, 2020.

1. Financial Results

Particulars	(Rs in Lakhs)	
	2019-20	2018-19
Total Income	829.98	178.78
Expenditure	101.77	128.27
Profit after tax	733.41	61.37
Other Comprehensive Income (Net of Tax)	(7,136.81)	(263.62)
Total Comprehensive Income	(6,403.40)	(202.25)

2. Performance

The year under review was very good for your company. The revenue from business stood at Rs. 8.30 Crores as against Rs. 1.79 Crores in the previous year, an increase of 372% over last year mainly due to special / interim dividend received from a group company.

The revenue from trading income significantly reduced and the business opportunities in trading segment ceased which led the Company to become only a company with the business of investment mainly in the promoter group companies. As the company holds most of its investments in its group's listed entities, the company has become a Core Investment Company ("CIC").

3. Reserves & Dividend

The Company has not transferred any amount to reserve. Taking stock of the current market situation and the potential opportunities of further investment, your directors do not recommend any dividend for the financial year ended March 31, 2020.

4. Internal controls

The Board had laid down internal financial controls to be followed by the Company which are commensurate with the size, scale and complexity of its business and such internal financial controls are adequate and were operating effectively within the meaning of the explanation of Section 134(5)(e) of the Companies Act, 2013.

5. Deposits

The Company has not accepted any deposit within the meaning of Chapter V to Companies Act, 2013. Further, no amount on account of principal or interest on deposit was outstanding as at the end of the year under report.

6. Associate Company

There was no associate company as at the end of the year.

7. Auditors

i) Statutory Auditors

M/s. P Y S & Co., LLP, Chartered Accountants (Firm Registration No. 012388S) (Formerly known as M/s. Welspun Investments & Commercials Ltd (WICL) - A Business Overview

The Company's businesses are under two categories - Trading and Investing. WICL focuses on the trading opportunities available in diverse sectors by leveraging the position of Welspun Group. Trading segment is dependent on the economic scenario and the demand of the respective products while on the other hand the investment segment relies on the economic developments and the performance of the investee company - its profits, dividend and stock prices. Since the Company could not achieve trading business for a long period now, the Company has ceased to be a trading company and has become merely a core investment company with focus of investment in group companies.

The Company holds equity shares mainly in Welspun Group companies which are engaged in the business of Line Pipes, Steel, Infrastructure and Oil & Gas. The Company's revenue majorly depends on the change in the stock market prices of the investee companies.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Economic Overview

CY2019 was a difficult year for the global economy with world output growth estimated to be the slowest since the global financial crisis of 2009, arising from a geographically broad-based decline in manufacturing activity and trade. The global slack in consumer demand affected industrial activity, which slumped in most of the major economies in CY2019. Global production in automobile industry fell sharply due to a decline in demand, which was caused by changes in technology and emission standards in many countries. As global industrial activity slowed down, there was a drop-in growth of manufacturing exports from major economies. Increasing trade barriers as well as trade uncertainty stemming from rising trade tensions, especially between US and China, also resulted in declining business confidence and further limited trade.

Amidst a weak environment for global manufacturing & trade and challenges in the domestic financial sector, the Indian economy slowed down with GDP growth moderating to 5.0 percent in FY2020 as compared to 6.8 percent in FY2019. Having duly recognized the financial stresses built up in the economy, Government of India (GoI) has taken important reforms to boost the overall investment, consumption and exports in the economy. Some of the major reforms that have taken during the year are - Speeding up the insolvency resolution process under Insolvency and

Bankruptcy Code and easing of credit, particularly for the stressed real estate and Non-Banking Financial Companies sectors; Reduction in corporate tax rate; Recapitalization of public sector banks; Financial inclusion; Digital payments; Improving ease of doing business and among others.

However, due to the impact of COVID-19, the outlook for CY2020 looks bleak for the global as well as the Indian economy. According to IMF, the global economy is expected to plunge into the worst recession since the Great Depression in CY2020, far worse than the Global Financial Crisis. The cumulative loss to global GDP over 2020 and 2021 is estimated at around 9 trillion US dollars – greater than the economies of Japan and Germany, combined. Within this downturn, the projections are replete with even sharper declines in output in various countries. India is among the handful of countries that is projected to cling on tenuously to positive growth.

For 2021, however, the IMF projects sizable V- shaped recoveries: close to 9 percentage points for global GDP. India is expected to post a sharp turnaround and resume its pre - COVID pre – slowdown trajectory by growing at 7.4 percent in 2021-22

OPPORTUNITIES AND THREATS

The Company depends on the dividends and capital appreciation from the equities it is invested into, on the investment side. Better performance of the investee companies can be beneficial for the Company while on the other hand, any failure by any invested company to earn profits or distribute dividends or provide capital appreciation can impact the revenue stream of Welspun.

Any increase in dividend distribution tax by government can be an external threat to the Company's revenue stream.

OUTLOOK

The financial year 2019-2020 (FY20) has been the worst year for the Indian indices since FY09 due to the outbreak of the coronavirus pandemic and its intensifying impact on the already slowing economy. Apart from the coronavirus, US-China trade war, slowing earnings growth, crash in oil prices and slowdown led by a decline in demand also dragged the market indices in FY20. The global spread of the COVID-19 has sent shockwaves through global equity markets. Domestic economic activity has been impacted severely by the lockdown which has extended over the past two months.

Even though the lockdown has got lifted with some restrictions, economic activity even in Q2 may remain subdued due to social distancing measures and the temporary shortage of labour. Recovery in economic activity is expected to begin in H2 and gain momentum gradually as supply lines may be restored to normalcy and demand slowly revives. For the year, there is still heightened uncertainty about the duration of the pandemic and how long social distancing measures are likely to remain in place and consequently, downside risks to domestic growth remain significant. On the other hand, upside impulses could be unleashed if the pandemic is contained, and social distancing measures are phased out faster.

India's robust foundation—built on structural reform, the domestic nature of the market, and prudent monetary and fiscal policy—should help to navigate the current challenging market environment. India remains a growth story that is local, defensive, and its exports have a good opportunity to gain global market share.

Risk and Concerns

Risk is integral to any business and WICL is no exception. Following are the external risks to which the Company is exposed to:

- **Dividend fluctuation:** Dividend received on investments forms the major part of the business of the Company. Investee Company distributes dividend to its shareholders based on its profitability, future strategy and the dividend distribution policy. Thus, any change in these can affect the revenue stream of Welspun.
- **Economic environment:** Both streams of revenues of the Company depends on performance of investee companies and share appreciation. Thus, any unfavorable changes in the domestic or global economic environment can affect the revenue stream.

Apart from these, liquidity risk, rising inflation, transaction risk and change in regulatory framework are the other risks to which the Company is exposed to.

HUMAN RESOURCE

The Company's current activities do not require engagement of significant human resource. However, requisite qualified and experienced personnel have been engaged to take care of organization need of human resource. With the sign of growth, if and when seen, the Company will engage requisite human resource.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The adequacy of the internal control system is reviewed by the Audit Committee of the Board of Directors. The emphasis on internal controls prevails across functions and processes, covering entire gamut of various activities. Your Company has taken proper and sufficient care for the maintenance of adequate accounting records as required by various statutes. Internal Auditors, the Audit Committee and Statutory Auditors have full and free access to all the information and records as considered necessary to carry out their responsibilities.

INDEPENDENT AUDITORS' REPORT

To

The Members of Welspun Investments and Commercials Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Welspun Investments and Commercials Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended 31 March 2020 and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31 March 2020, and its loss (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of Ind AS Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the year ended 31 March 2020. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	Guarantee given to bank against liabilities of MEP Cotton Limited	
	The Company has given guarantee to Punjab National Bank for repayment of liabilities of MEP Cotton Limited of Rs. 107,023,661. Company has not provided updated status of guarantee to bank.	There is no change in status of guarantee given to bank, the same has been continued to be disclosed in books as contingent liability (Refer Note 20).

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report for 2019-20 but does not include the Ind AS financial statements and our auditor's report thereon. Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditors' Responsibility for the Audit of Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1) Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- 3) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- 5) Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS financial statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

- 1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015, as amended.
 - e) On the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.
 - g) The Company has not paid / provided any managerial remuneration to its directors for the year ended 31 March 2020, as such compliance with provision of Section 197 read with Schedule V of the Act is not required.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 20 to the Ind AS financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Welspun Investments and Commercials Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1 GENERAL INFORMATION

Welspun Investments and Commercials Limited ("the Company") was incorporated on 07 October 2008 under the Companies Act, 1956 (the 'Act') and has its registered office at Welspun City, Village: Versamedi, Taluka: Anjar, Dist. – Kutch, Gujarat 370110. The Company is engaged in business of Investment and dealing in shares and securities and trading of textile products and commodities.

2 SIGNIFICANT ACCOUNTING POLICIES

a. Basis of preparation of financial statements

Accounting convention:

The financial statements are prepared on the basis of historical cost convention, and on the accounting principle of a going concern. The Company follows mercantile system of accounting and recognises income and expenditure on accrual basis except those with significant uncertainties.

Compliance with Ind AS

The Company has prepared its financial statements in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

b. Use of estimates:

The preparation of financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognised in the financial statements is valuation of financial instruments. (Refer Note 2.d)

c. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

d. Fair value measurement

Level 1: All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, exchange traded funds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing Net Assets Value (NAV).

Level 2: The fair value of financial instruments that are not traded in an active market (such as traded bonds, debentures) is determined using Fixed Income Money Market and Derivatives Association of India (FIMMDA) inputs and valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

e. Financial Instruments

Classification of Financial Assets

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

**Initial recognition**

The company recognise the financial asset and financial liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivable which are initially recognised at transaction price. Transaction cost that are directly attributable to the acquisition of financial asset and financial liabilities, that are not at fair value through profit and loss, are added to the fair value on the initial recognition.

Subsequent measurement of Non-derivative financial instruments**(i) Financial Assets at amortised cost**

A financial assets is measured at the amortised cost if both the following conditions are met :

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the loans and other receivables under financial assets (except Investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

(ii) Financial Assets at Fair Value through Profit or Loss/Other comprehensive income

Instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

If the company decides to classify an equity investment as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

(iii) Financial liabilities

The measurement of financial liabilities depends on their classification, as described below:

Trade and other payables

After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

**f. Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

g. Revenue recognition:

Ind AS 115 "Revenue from Contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.

- Identify the contract(s) with a customer;
- Identify the performance obligations;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations;
- Recognise revenue when or as an entity satisfies performance obligation.

i For sale of goods, revenue is recognised when control of the goods has transferred at a point in time i.e. when the goods have been delivered to the specific location (delivery).

ii Dividend income is accounted for when the right to receive dividend is established.

iii Interest income is accounted for on time basis and when the realisation of amount is certain.

h. Taxes**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided in full using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the

deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

i. Provisions and contingent liabilities:

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation but the likelihood of outflow of resources is remote, no provision or disclosure is made.

j. Transaction in foreign currencies:

Foreign currency transactions are recorded at the exchange rates prevailing on the date of such transactions. Monetary assets and liabilities as at the balance sheet date are translated at the rates of exchange prevailing at the date of the balance sheet. Gains and losses arising on account of differences in foreign exchange rates on settlement/translation of monetary assets and liabilities are recognized in the statement of profit and loss. Non-monetary foreign currency items are carried at cost.

k. Impairment of assets:

The Company assesses, at each balance sheet date, whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

**I. Earnings per share:**

The basic earnings per share (EPS) is computed by dividing the net profit/(loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year available for equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and derivative financial instruments.

Credit risk on financial assets

Financial assets that are potentially subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner consist principally of cash balances with banks, cash equivalents and receivables, and other financial assets. The maximum exposure to credit risk is: the total of the fair value of the financial instruments and the full amount of any loan payable commitment at the end of the reporting year. Credit risk on cash balances with banks is limited because the counterparties are entities with acceptable credit ratings. Credit risk on other financial assets is limited because the other parties are entities with acceptable credit ratings.

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors net debt and total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

Particulars		As at 31 March 2020 (Rs.)	As at 31 March 2019 (Rs.)
Other current liabilities		5,02,401	4,25,594
Less: Cash and cash equivalents		(12,01,321)	(11,12,117)
Net debt	(a)	(6,98,920)	(6,86,523)
Total equity			
Total member's capital	(b)	60,66,87,938	1,24,70,27,775
Capital and net debt	(a+b)	60,59,89,018	1,24,63,41,252

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans

and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2020 and 31 March 2019.
